Naples Daily News Honorary Observer Contest Registration Form

The Champions Tour has earned the reputation as the most accessible, approachable and fan-friendly organization of all major league sports, a place where champions of the profession welcome their fans to be a part of the experience. One of the most popular, fan-friendly features on the Champions Tour is the Honorary Observer Program. Honorary Observers enjoy the experience of a lifetime walking inside the ropes with Champions Tour players during Tournament play. Their names are also announced to the gallery on the first tee where their picture will be taken with their Champions Tour threesome. The players will all sign the photo at the conclusion of the round, providing a special keepsake. Additionally, guests receive a Champions Tour hat and a special Champions Tour Honorary Observer lapel pin.
